Friends and partners,

The Great Streets Initiative is proud to announce "***The Great Streets Concierge Program***" in partnership with the Los Angeles Department of Building and Safety.

Small businesses that intend to locate or are currently located on one of the fifteen Great Streets corridors are now eligible—free of charge—to meet with LADBS to review and navigate the building permitting process. ([Please follow this link for a PDF of the form](#)).

See the attached documents for more information on this new service and an electronic copy of the Service Request Form.

And please feel free to announce widely! Businesses should contact the Great Streets Initiative, GreatStreets@lacity.org or 213-972-9766 for more information.

Let's make Great Streets!
